Max Planck Visitors Program (MPSD Hamburg)

The Visitors Program offers research positions over time periods that range from a few weeks to two years in duration (up to three years for PhD students). Guest scientists can become members of research groups, work toward a PhD degree or collaborate with scientists at the institute.

- PhD students
- young postdoctoral researchers (as a rule, postdoc positions are limited to one year with a possible extension for a second year)
- senior scientists for short-term and sabbatical visits
